Hong Kong ICT Exploratory Mission to Middle East, February 22-27, 2008

The captioned mission is organised by Hong Kong Trade Development Council (HKTDC), and co-organized by Internet Professional Association (iProA), and Hong Kong Information Technology Industry Council (HKITIC) of the Federation of Hong Kong Industries (FHKI). The mission aims to explore business opportunities for Hong Kong ICT industry in the fast growing Middle East market. The business delegation will visit **Bahrain, Dubai & Riyadh of Saudi Arabia.**

Your benefits:

- Visits to ministries & commissions who are in charge of IT policies and ICT infrastructure
- Meetings with Chamber of Commerce and Industry
- Listen to government officials' views on international cooperation in global software and IT services especially in the areas of e-Government, e-Banking & Finance, e-Health and wireless technology etc
- Meet with right business contacts & potential business partners as well as to learn about success stories and experience from renowned global players who have already established their network in the region

Limited space only and the organizers have absolute discretion in the selection of participants. Register now by returning the registration slip to the address below. For enquiries, please contact Ms. Vivian Chan of TDC at 2584-4163 or by email to vivian.wy.chan@tdc.org.hk or Ms. Amy Wong of iProA at 2778-0040 or by email to amy@iproa.org.

Application Deadline: 31 December 2007
